### **SPRING BROOK ROAD RESURFACING (ARRA) - 2011**

ROCKFORD - Effective July 6, 2011

- Spring Brook Road Resurfacing 2011 (Spring Brook Rd. from Imperial Oaks to Mulford Rd.) will be under construction the week of **July 11, 2011**.

Construction activities may include but are not limited to new asphalt pavement with some full depth patching, new curb and gutter, new pavement markings and other related work. The necessary traffic control and signage will be posted. At least one lane will be open to traffic during construction. Therefore, no detour route will be posted.

Construction shall be completed in approximately two months, barring weather delays.

### **PROSPECT STREET RESURFACING - 2011**

- Prospect Street Resurfacing 2011 (Prospect Street from East State Street to Rural Street) will be under construction the week of **July 11, 2011**.

Construction activities may include but are not limited to new asphalt pavement with some full depth patching, some new storm sewer, new pavement markings, new ADA ramps and other related work. The necessary traffic control and signage will be posted. At least one lane will be open to traffic during construction. Therefore, no detour route will be posted.

### **City Wide Inlet Repairs - 2011**

- C-W Inlet Repairs 2011 (various locations throughout the city) will be under construction the week of **July 11, 2011**.

Construction activities may include but are not limited to adjusting, rebuilding and reconstructing inlets and manholes, parkway restoration and other related work throughout the city at various locations. The necessary traffic control and signage will be posted.

### **Broadway Improvements - 2011**

- Broadway improvements project – 2011 (Broadway from 6th Street to 9th Street) will be under construction the week of **July 11, 2011**.

The project consists of miscellaneous sidewalk replacement, some brick replacement, ADA curb ramps at each intersection, some tree replacement, inlet repairs and other related work.

The City of Rockford appreciates your continued patience and cooperation during this work.

Questions regarding these projects should be directed to Jeremy Bahr at the Public Works Department. Thank you for your consideration.
